Who thinks that more than 500.000
people in the Netherlands are
prevented from finding a job due to
long-term illness, disorder or
disability?

Following CBS (central agency of statistics)
1.400.000 people in the Netherlands are
prevented from finding a job due to
long-term illness, disorder or disability!

Are companies obliged to make their premises accessible to the disabled?

From 2017, companies are obliged
to make their premises accessible
to the disabled?

Case 1

Accessible workplace
