

Hiring App

Collaborative recruiting
anywhere, anytime

The SmartRecruiters Hiring App is a free, integrated mobile solution for hiring managers and recruiters to run a more efficient process.

Manage recruiting tasks with a frictionless experience on the go.

Know exactly where you stand in the hiring process with applicant tracking & notifications straight to mobile devices

Empower hiring managers to review & rate candidates while on-the-go

Accelerate hiring team response times and centralize real-time communications

The mobile [Hiring] app changed the conversation... hiring managers were sold, saw the value in it, and just loved using the tool.

MicroStrategy

Use SmartRecruiters' Hiring App to manage key recruiting activities and accelerate hiring decisions.

Manage

Track job reqs with funnel dashboards and engage with top candidates at every step

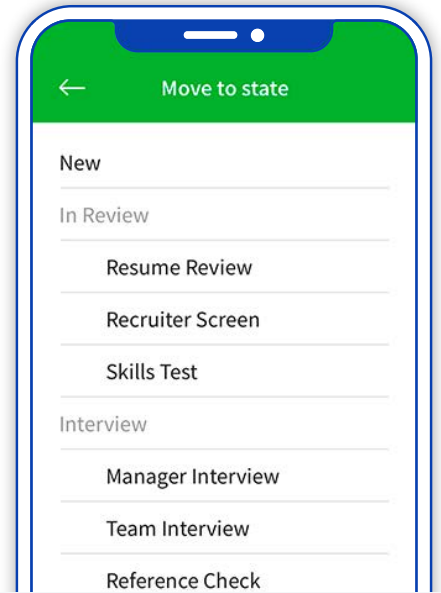

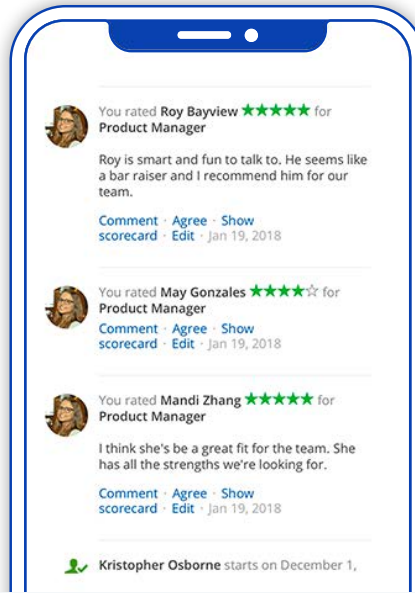

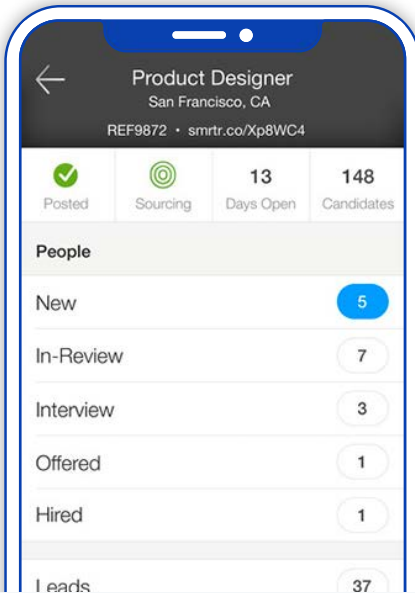

Collaborate

Accelerate velocity with the Hireloop, a newsfeed of hiring events you can take action on

Evaluate

Approve, reject or review any candidate easily with speech-to-text and as little as one click

Bring speed, collaboration, and mobility to hiring.

Key Features

- View interview schedule
- Toggle between Actions Center and Hireloop
- Message candidates directly
- Collaborate on candidate feedback
- Make hiring decisions and approve job offers
